

L.O: To plan your snow poem using figurative language.

Using ideas from your mind map, you are going to compose sentences for your poem containing a variety of figurative language. Use the table below as a guide and the 'Understanding figurative language' powerpoint to help you.

Idea	Figurative Language
Covers the landscape	Like a blanket over the land (simile)
Swirling around	Flakes danced around the sky (personification)

Try to use all the different types of figurative language within your work.
