SO, WHAT'S THE PLAN?

We understand printing is sometimes very tricky. If appropriate, please just get the children to write the answers on paper whilst looking at the sheets/ questions online. After your lovely feedback, we have tried to keep printing to a minimum and, as always, you can choose to do 1, 2 or all 3 of the tasks.

Each day, there will be...

- 10 "Fluency Ten" questions

Questions all about the basics of maths and the skills we work on throughout the whole year

- A task according to our addition objective...

- Extra optional tasks

Day 1 Fluency 10
