

The impact of Sports Premium Funding 2024/25

What is the PE & Sport Premium for primary schools?

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils. Schools receive the funding based on the number of pupils in years 1 to 6. Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils, but they are free to choose the best way of using the money.

The 2024-2025 Sport Premium funding for our school is:
Total Amount = £18,660
