

LKS2 Learning Log Homework - Summer 1 - 2025

Please find below a list of activities related to our on-going topic: **Europe** alongside some resources that may help them to complete the tasks. These activities are entirely optional but are aimed to support and enhance children's understanding and enjoyment of our current topic. Children can present their work in any way they wish, be as creative as possible! We look forward to seeing some of your amazing creations.

<u>Subject</u>	<u>1 Team Point Activities</u>	<u>2 Team Point Activities</u>	<u>3 Team Point Activities</u>
Science	What are the 7 things which make something a living thing?	Find 8 living things, either in your garden or on a walk. Can you create a classification key to identify them?	Using recycled materials, create a model of a habitat which you may find in the United Kingdom.
History	Research the historical name for the following cities: Leeds, Paris, Barcelona . Do you know why they were called this?	Using your knowledge from our history lesson, write a paragraph explaining where and how European civilisation began.	Choose a European city and create a leaflet exploring the history of the city. You may want to include: famous people, events, time periods, big changes .
Geography	Use the map to identify the smallest and largest country in Europe.	Note down five rivers and five mountains that can be found in Europe.	Create an A-Z of European cities.
Art/DT	Choose a country and sketch its flag.	Choose a European city. Research and create a food menu which would be eaten by people who live there. Try to incorporate all of the food groups.	Can you design a model/representation of Europe, using recycled materials?

Please hand in any homework done from the grid above to your child's class teacher on a Friday so team points can be calculated and their work shared and celebrated in assembly.

Thank you for continuing to support your child's education and we hope you enjoy the tasks.

Feel free to do your own activities and have fun!
